Gender Champion Club

Gender socialization begins early, and it is important to initiate change process at a young age for both boys and girls to shape attitudes and transform behaviours. Schools and colleges play a major role in this regard, because students spend large amounts of time engaged with peers in such settings. Creating positive social norms in educational institutions that value girls and their rights is important to improve the well-being of girls and achieve long-term and sustainable social change.

VISION

Gender Champions are envisaged as responsible leaders who will facilitate an enabling environment within their schools/colleges/academic institutions where girls are treated with dignity and respect. They will strengthen the potential of these young people to advocate for gender equality and monitor progress towards gender justice.

OBJECTIVES

The broad mandate of a Gender Champion is to provide an integrated and interdisciplinary approach to understanding the social and cultural constructions of gender that shape the experiences of women and men in society. The aim is to make the young boys and girls gender sensitive and create positive social norms that value the girls and their rights.
